

CHORUSMART - Domestic range

Range of ChoruSmart domestic series plates, made in a wide variety of shapes, colours, materials and finishes. It includes five different shapes (ONE, GEO, EGO, LUX, ICE and ICE Touch) for rectangular boxes with a capacity of up to 12 modules and three different shapes (ONE International, GEO International and LUX International) suitable for round/square boxes, both single and combined in horizontal or vertical configurations, with a capacity of 2 up to 2+2+2+2 modules. All ChoruSmart domestic series plates use the same supports, without the need for additional adapters. The range also includes blank plates, watertight IP55 plates and contour plates.

| Family                          | EGO International                             | Description    | 2+2+2 modules |
|---------------------------------|---|----------------|---------------|
| Туре                            | Horizontal                                    | Colour         | Satin White   |
| Material                        | Technopolymer                                 | Finishing      | Opaque finish |
